

# Washington Timbers Brick Campaign In Honor of Lisa Jooste

We lost a very dear friend and Timbers family member last year, Lisa Jooste. She had been battling cancer for over 10 years and was an unbelievable mix of toughness and fun loving. She always had a smile on her face and never let you see her bad days. She was amazing. Her position with the club was Business Manager. She worked with Sean on our turf fields project, the parking lot project, and all of the fundraising that we have done over the years.

One of the first fundraising projects that she worked on was a "Brick Drive." As a club, we sold bricks and the plan was that we were going to have this as part of our walk-in to the turf fields. Now that the fields are done and the parking lot project is in full swing, we are moving full steam ahead with The Brick Drive. In honor of Lisa, the club has purchased an extra-large brick in memory of her as the center piece of this walk way.
